

## Submission Form for Information on Seals and Seal Impressions from ancient West Asia

Please complete all fields where possible. Fields marked with \* are mandatory.

If anything is unclear, please use the comment box at the end of page two.

*If you wish to submit multiple objects, please indicate the number below and complete only the section on provenance first. We will then contact you.*

### The following information is submitted by:

Last name\*: \_\_\_\_\_ First name\*: \_\_\_\_\_

Address\*: \_\_\_\_\_  
\_\_\_\_\_

Country\*: \_\_\_\_\_

E-Mail\*: \_\_\_\_\_

How many seals are being submitted?\* \_\_\_\_\_

### Information on provenance:

Current owner\*: \_\_\_\_\_

Previous owner: \_\_\_\_\_

Current location\*:

In a private collection, please provide name and address  
(if different from above):

\_\_\_\_\_  
\_\_\_\_\_

Previous location:

\_\_\_\_\_  
\_\_\_\_\_

Place of origin / place of acquisition: \_\_\_\_\_

Date of acquisition\*: \_\_\_\_\_

Mode of Acquisition\*:

Excavation      Gift      Inheritance      Purchase on site      Purchase at auction  
Online purchase      Other type of purchase      Other (*please specify in the comment field*)

Further details on the acquisition history:

---

---

---

---

Would you like to be acknowledged as a collector in the KIŠIB online database?\*

If yes, in what form?

Yes Name: \_\_\_\_\_

No In this case, the seal will be listed under “Private collection.”

Please select one of the following display options:

Private collection [*city name*]

Private collection [*country*]

**Object details:**

*(to be completed only if this submission concerns a single object)*

Measurements (in cm):

Height\*: \_\_\_\_\_ Diameter\*: \_\_\_\_\_ Weight (in grams): \_\_\_\_\_

If not cylindrical: Length: \_\_\_\_\_ Width: \_\_\_\_\_

Material \_\_\_\_\_

Short description of material, surface finish, any patterning, etc.:

---

---

Color\*: \_\_\_\_\_

State of preservation\*: \_\_\_\_\_

**Additional comments:**

---

---

---

---

---

---

**The following image files are required for the processing and inclusion of the object in the KIŠIB project:**

- A photograph of a modern roll-out or modern impression of the seal in Fimo/Sculpey (modelling clay), clay, plaster, etc.
- Several photographs of the seal body or the sealed object:
  - Photograph of the top and bottom
  - Photographs of the engraved design scene
- If available, documents confirming the acquisition

Are the photographs and a roll-out available, or do they still need to be produced?\*

---

---

The following files are optional:

- Drawing of the object and its imagery
- 3D images / 3D scans of the seal
